

## NORTHERN LIGHTS, INCORPORATED

**Subject:** Rate Schedule 4

**Description:** Irrigation

**Date Approved:** December 20, 2010

**Availability:** Available to the members of Northern Lights, Inc. for Irrigation use of 5 horsepower or more, subject to its Member Service Policies.

**Type of Service:** Multi phase or single phase, 60 cycle, at available secondary voltages.

### **Rate Schedule:**

**Annual Basic Charge:** Per HP \$ 25.00

**Energy Charge:** Between Mar & Nov Billings \$ 0.0403  
Between Nov and Mar Billings \$ 0.0813

**Other Information:** A penalty charge of \$5.00 or 1%, whichever is greater, shall be charged on any balances remaining unpaid after the 23<sup>rd</sup> of each month.

Each Member with installed service, whether energized or not, shall pay the above described basic charge.

If the irrigation service is not energized, the annual basic charge will be \$ 8.00 per horsepower.

The annual basic charge of \$ 8.00 per horsepower will be billed with the regular March billing (approximately March 23<sup>rd</sup>), and must be paid prior to connection of the service each year.

If the service was used, the remaining \$17.00 per horsepower and the energy usage will be billed with the regular November billing (approximately November 23<sup>rd</sup>) each year.

Adopted by the Board of Directors at the December 20, 2010 Board Meeting, to be effective with the March 2011 billing.
